More summer event photos!

"Remove spent flowers for longer bloom time; and more food for bees!"

THE SEPTEMBER NEWSLETTER

Sault Ste Marie Horticulture Society members enjoyed two summer events: the Cement Leaf workshop at the Canal Historic Park in July & a tour of Deertree Apiary honey bee Farm in August. There's more photos on Page 2.

Can you spot the Crowns or Tiaras on top of the hives that have a Queen Bee? (photo above) Many thanks to SSMHS member, Mary MacLachlan, owner and bee keeper of Deertree Apiary. Besides the informational tour, she provided taste testing of her infused honeys and a trip into her little roadside store full of honey and bee related trinkets!

SAVE THE DATE:

September 11th: Member's Night @ 7pm Bring questions, bring suggestions, your tips, your photos, your veggies, flowers etc... Set up a table with your show (no matter the size) or just bring the ideas in your head to share!

October 2nd: Our Annual Harvest Potluck The Potluck will take place on Monday October 2nd. Doors will open at **5:30pm** and we will start Dinner at **6:00pm**. Members bring a dish (whether its from your harvest or not) and it can be everything from Soup and Appetizer to Entree and Dessert. All are welcome!

November 6th: to be announced

Of Note: Sept meeting is on the second Monday due to the holiday

SSMHS member - Caroline Walker suits up and gets close & personal!

Cement Leaf workshop and a final product!
